

Hallo,
inbetween our layer took a look on the circumstances.
The deal is over. The german fiscal authorities will be very interested in this deal. YOU don`t need to send the check.
If I should receive the cheque, I`ll send it directly to the german police.
If there is any further harassment on your part, be sure that we take legal action.
Kind Regards

Dear Johannes,

Sorry, for asking me but I'm so amazed by your

interest: Are your sure about this
"Miststreuer"?

I will discuss this with my husband this evening,
because that's not my daily-business, selling goods
to United Kingdom.

And what about the duty? Do we need to fill any
papers. Perhaps we can execute payment traffic via
paypal? Until then, I will definitely reserve the vehicle for
you at the agreed price of 380,- Euros and would
be proud to know my Steib in good hands.

Until tomorrow

Greetings from the Black Forrest, South Germany
